Executive Director of the Texas Commission on Environmental Quality v. Klaas
Talsma dba Talsma Dairy

Dear Mr. Trobman:

These are my recommendations concerning the Executive Director's exceptions to my Proposal for Decision in the above case. I agree that in Finding of Fact No. 1 "confined" should be changed to "concentrated." The other exceptions are stylistic, and I do not agree that they are necessary.

The Respondent filed no exceptions.

Sincerely,

William G. Newchurch
Administrative Law Judge
